LOGITECH USB HEADSET H570e

For people who make their living on the phone, a comfortable headset makes every call more productive. Logitech H570e Headset delivers comfort day after day. Acoustic echo cancellation and digital signal processing (DSP) block out unwanted noise for clear conversations.

The lightweight design and durable materials mean you can wear the H570e all day. Leatherette ear pads, and padded headband with metal reinforcement provide strength and flexibility, with a fit that's just right. Just put it on and start talking — It's that easy. The H570e Headset connects to a PC or Mac via its USB-A cable with no additional software required. Plus, advanced business certifications and enhanced integration with popular calling platforms ensure a seamless meeting experience with any video conferencing application.

KEY FEATURES AND PRODUCT SPECIFICATIONS

- 1 **Adjustable padded headband** can be worn comfortably all day while metal reinforcement provides strength and flexibility with a fit that feels just right.
- 2 **In-line controls** allow you to easily answer/end calls, adjust volume up/down, and mute/unmute calls.
- 3 **Acoustic echo cancellation and noise-cancelling microphone** optimized to deliver crystal clear sound even in noisy workspaces.

Connectivity	Type	USB-A			
Audio	Microphone type	Bi-directional ECM noise-canceling mic			
	Flexible mic boom	Rotate the boom up or down and bend it left or right to move it closer to your mouth.			
	Sound quality	Digital Signal Processing (DSP)
